about the series

The Matumbila's is an animated comedy series about a Tanzanian-American family living in middle class America, Hopeland, Massachusetts. The series deals with culture clashes between the immigrated parents, Hashim and Zainat Matumbila and their first-generation American children, Amina, Rajab, and Zulfiqar Matumbila.

kweliTV

The Matumbila's is now streaming on kweliTV, curated by Lil Rel Howery. kweliTV is a black owned streaming platform with over 40,000 paying subscribers. The platform has over 400 movies and shows and The Matumbila's reached the top 10 most watched films or shows on kweliTV.

about the producer

Zul Manzi is a 23-year-old content producer, born and raised in Springfield, MA. In 2019, Zul began production with his animated series, "The Matumbila's" by gardening material from his stand-up comedy sets. He gained inspiration for The Matumbila's from his Tanzanian community and experiences from public school.
